PRE-GAME PROTOCOL
The following protocol must be followed for all contests announcing lineups and National Anthem to allow a standard warm-up procedure at every venue.

6:00pm game time is used in the following example:

</table>

** Teams must be allowed 15 minutes for warm-up regardless arrival time.

** Real time protocol may be adjusted if lineups and National Anthem are not announced.

** When senior recognition activities are scheduled, they should be conducted at 00:00, before Lineups announced, and be no more than 10 minutes in length. The clock time should still be followed but the real time must be adjusted to account for recognition activities to end in time for Lineups and Anthem to be completed by game time.
